Subject: Support local jobs

Don't approve a cleanup plan that may hurt jobs because it is so expensive.

First, let me say that I strongly support a cleanup of the Willamette River. However, I also don't think that our local businesses and families can afford to pay huge bills for the cleanup. The EPA should make sure the cost to implement the plan is reasonable.

Thank you for recognizing that there is a real cost to employers for this cleanup. And thank you for everything you're doing to protect our river.

Sincerely,
